

70 Fourth Avenue St Peters SA

4 3 2

There's an undeniable gravity to this 1890s villa. And when its charm meets a spectacular reinvention-crafted to the high standards set by Architects Ink-it sets a bespoke new benchmark on tree-lined Fourth Avenue.

The result is 4-bedroom sophistication that embraces its heritage and forges a future-proof family footprint on a secure and private 627m2 allotment.

Exposed bluestone, ornate plasterwork, and an eye-catching 2019 lifestyle addition are complemented by a garden studio/guest wing and sleek rear-lane dual garage to merge seamlessly with poolside BBQ and alfresco entertaining.
